The Alaska Department of Transportation & Public Facilities (DOT&PF) is starting the **Seward Hwy & Alyeska Hwy Intersection Improvements Project** which seeks to improve the capacity, operation and safety of the intersection. At this early stage in the project's development, **DOT&PF is seeking input** on what alternatives should be considered, what values should drive the alternative selection process, and what experiences you have had with this intersection.

Please join us at the virtual open house any time between 6:00 and 8:00 PM to share any input you may have. Presentations will be given at 6:15, 6:45 and 7:15 PM. If you cannot attend the meeting but would like to provide comments, please email Van Le at vle@rmconsult.com.
